

BRAINERD HARDWOODS INCORPORATED

Brainerd Hardwoods Inc. manufactures to your specifications, architectural mouldings and doors that meet or exceed A.W.I. (Architectural Woodworking Institute) quality standards. With experienced craftsmen, advanced machinery, and over 700,000 board feet of inventory, we can help you meet your product requirements.

Inventories include: Alder, Ash, Birch, Cherry, Hickory, Hard Maple, Red Maple, Poplar, Red Oak, White Oak, White Pine, Walnut, and many others.

We have many profile knives in our tool inventory, the majority which are not shown in our catalog. If you don't see anything that fits your needs just ask us. Our grinding department can make knives for just about any profile you require.

When you provide us a profile number or sketch, we will quote you a price and lead time for the items you are looking for. Please include wood species and quantities needed on your quote request.

So remember, if you're looking for:

- custom mouldings
- radius mouldings
- custom interior doors
- stair parts
