

BRAINERD HARDWOODS INCORPORATED

Brainerd Hardwoods Inc. manufactures to your specifications, architectural mouldings and doors that meet or exceed A.W.I. (Architectural Woodworking Institute) quality standards of excellence. With advanced machinery and over 700,000 board feet of inventory, we can help you meet your deadlines.

Inventories include: Soft and Hard Maple, Red Oak, Cherry, Yellow Poplar, Ash and others.

We have in our inventory approximately eight times the profile knives that our catalog shows. Our grinding department can also make knives for just about any profile your customer requires.

When you fax us a profile number or sketch, we will quote you a price and lead time for the items you are looking for. Please include wood species and quantities needed on your quote request.

So remember, if you're looking for:

- custom mouldings
- radius mouldings
- custom interior doors
- stair parts
